GSRNE is a fully volunteer, charitable, non-profit organization dedicated to providing veterinary care, evaluation, and adoptive homes for the countless numbers of German Shepherd Dogs who are abandoned or left in shelters to await uncertain fate. We provide foster services for all dogs coming into our rescue. They are given a thorough exam, receive necessary medical treatment and are neutered or spayed, immunized, and parasite – and heartworm tested. All money raised will go for the care of the GSDs in GSRNE's foster care program. Because we are a fully volunteer, 501(c)(3) charitable organization, we rely on the generosity of GSD-lovers to fund our programs.
